

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

Case No. 23-cv-20013

Hon. Matthew F. Leitman

v.

MATTHEW D. ADAMS,

Defendant.

/

---

**ORDER DENYING MOTION TO AMEND JUDGMENT**

Now before the Court is Defendant's Motion to Amend Judgment. Defendant asks the Court to amend the judgment to add a recommendation that Defendant be permitted to participate in the RDAP program offered by the Bureau of Prisons. The motion is **DENIED**. The Court is not persuaded that it should make the requested recommendation. While the presentence investigation report described past drug and alcohol abuse by Defendant, the PSR further indicated that the Texas Christian University Drug Screen V was administered to Defendant, and that screen indicated that Defendant had "no signs of a substance abuse disorder."

**IT IS SO ORDERED.**
